# DEVELOPER UPDATE & DESTINATION BEYOND

This quarterly developer update will focus on Future of Eynesbury, Destination Beyond – a strong and uncompromising vision we have for Eynesbury & our community.

Artist Impression.

## Town Centre

Central to Eynesbury's vision is the future town centre, set to become a community hub like no other. Offering a mix of retail, commercial/conference facilities, entertainment, and community amenities, it will change the way Eynesburians eat, shop, and interact.

The planning application for the first stage of the town centre was lodged with Council in March 2022. Discussions around the layout of the town centre are continuing with Council and once agreed a formal planning permit will be issued. Resimax is expecting the permit will be granted before the end of the calendar year.

## Mt Mary Road

We are happy to share with you that Mt Mary Road is finally under construction! Mt Mary Road is a major piece of infrastructure that will connect Eynesbury with Wyndham. The road will save 25 minutes from Eynesbury to Werribee.

This project has had many planning challenges and constraints; however, all is now resolved, and Winslow have formally been issued with possession of site. In the coming weeks, Winslow will establish their perimeter and stock proof fencing, signage, site sheds and preliminary works before the heavy machines start the bulk earthworks. The forecast program is for works to be completed by mid-2023.

Celebrating the sod-turning of Mt Mary Rd on Friday 29th July with Melton Council, Steve McGhie MP, Winslow Constructors and Resimax Group.

## Stage Construction

Stage 6 civil works are now complete with stages 6A – 6C registered. Statement of compliance is being sought on stages 6D – 6F.

Stages 5C and 13A are progressing well with road works now commenced. Target completion is the end of the calendar year.

Artist Impression.

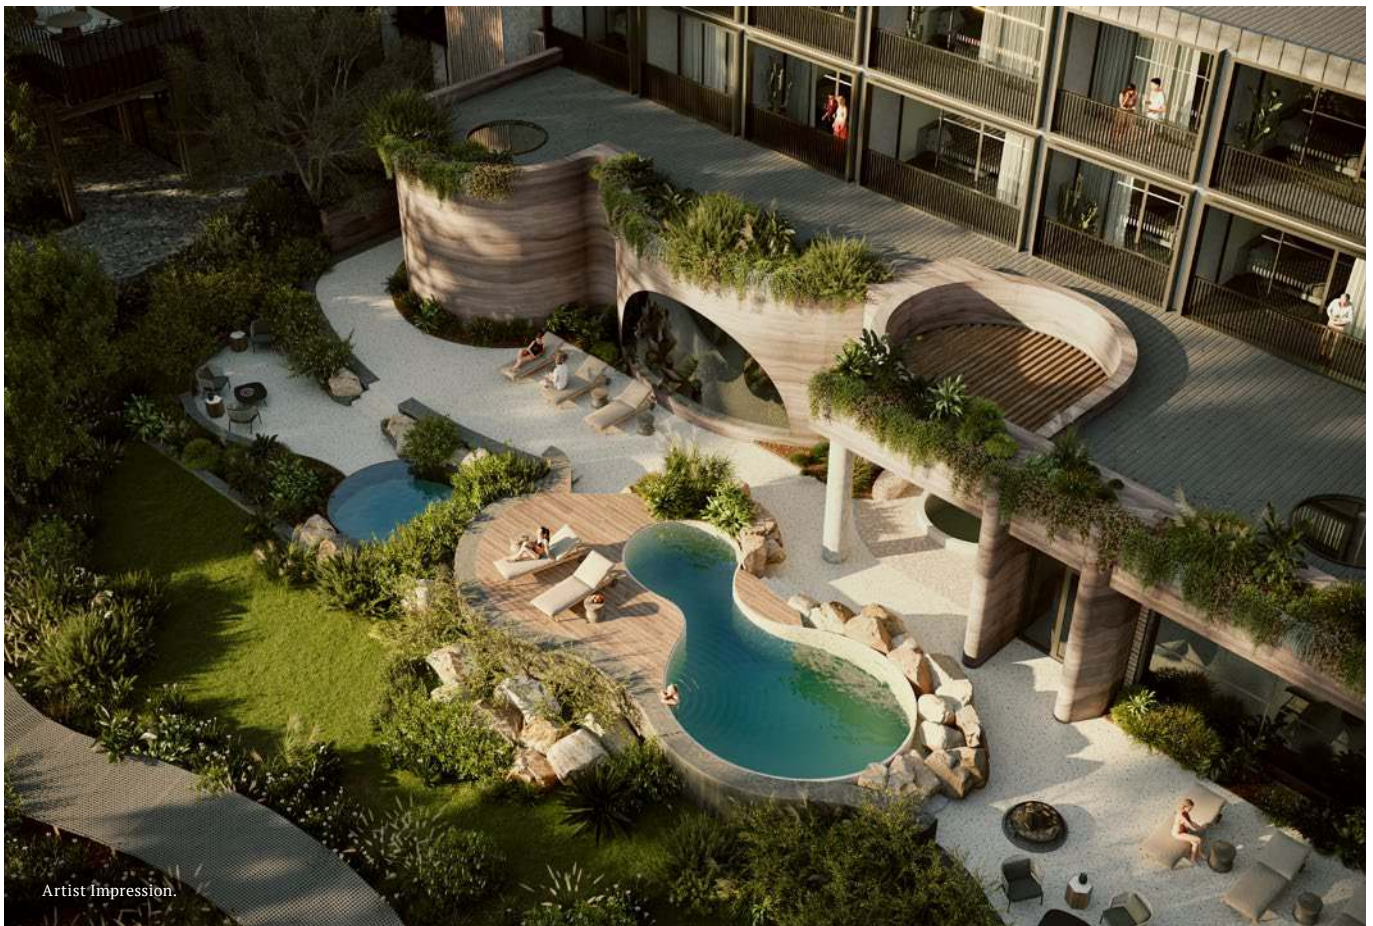

## Hotel & Wellness Centre

We are thrilled to reveal that part of our vision for Eynesbury is to develop a luxury hotel and wellness centre. The hotel is planned to include 60 rooms, a 300-person capacity conference centre and drum roll... a European style day spa and wellness centre. The architectural design, proposed finishes, and amenities this offers will no doubt elevate Eynesbury to a new level of premium.

The proposed location is on Eynesbury Road immediately adjacent to the Heritage Homestead. The site is generous in size and takes advantage of view lines over the 10th hole and Grey Box Forest. The site is also free of native vegetation and significant heritage considerations in contrast to the development plan which nominates the hotel to be co-located with the homestead.

Techne is the lead architect on the project, they have designed the hotel with natural building elements in mind such as a stone and timber. The building surrounds and carpark will be heavily landscaped with native species of shrubs and trees to blend in with the surrounding landscape.

Whilst a planning application has been lodged, there are many milestones ahead, however we look forward to sharing more about this exciting proposal with you. In the meantime, please feel welcome to reach out to Ebbie Hungerford if you have questions or to share your thoughts.

Artist Impression.

## Proposed Secondary School

We know education is one of the most important elements in building a new community, so it comes as no surprise that many residents have expressed the desire for a secondary school at Eynesbury. In response, we will be seeking expressions of interest from private operators that are looking to establish a new campus in the west.

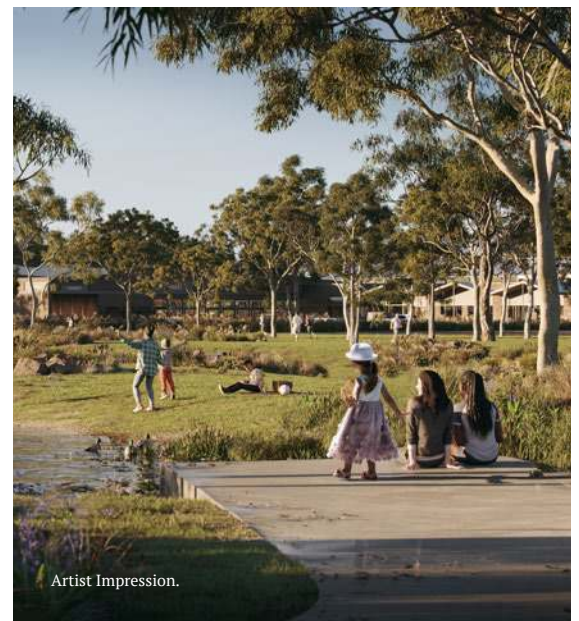

We're focused on finding the right partner that is motivated to establish a new school sooner rather than later. At this stage we are focussed on finding the right partner and if successful we can start planning location and the finer details.

Artist Impression.

Artist Impression.

## Wetlands

The future at Eynesbury continues to embody a walkable outdoors lifestyle. The introduction of extensive scenic wetlands are set to provide residents with a premium network of open spaces, places to gather, fitness nodes and walking/cycling tracks.

The wetlands under construction are nearing completion. The remaining works include topsoiling and completion of the path network. It is expected that civil construction will be finished in September. Resimax Group has also just awarded the landscaping contract to Australian Ecosystems (specialist contractors in waterway and wetland landscaping). The plants will be contract grown offsite and installed when the conditions are ideal. We can't wait for these vast open spaces to be landscaped and looking great!

## Eynesbury Bus

Eynesbury Bus timetable update | Melton schools added!

Our Community Development Manager has some exciting news! Early this year, she was contacted about the transport issue experienced by a large number of families getting their teens to local high schools. Unfortunately, with so many aspects and authorities, a PTV service wasn't happening anytime soon.

Resimax Group has spent the last 4+ months liaising with various authorities, and are excited to share that the Eynesbury Bus has added schools to its service (AM and PM) from the beginning of Term 3. The schools are Staughton College, Melton Christian College, Catholic Regional College and Heathdale Christian College. View the new timetable.

This service has been added to accommodate for students who weren't able to secure a spot on the current school services. The new timetable with the added times and stops has been scheduled to fit in with the various authorities and may not be suitable for all; we apologise for any inconvenience in the change of times and stops.

We are continually working in the background with residents to advocate for a full PTV service. For more information or to express your interest, please email; [ebbie@eynesbury.com.au](mailto:ebbie@eynesbury.com.au).

## Eynesbury Eagles Cricket Club

### Celebrating 10 years of the Eynesbury Cricket Club

With the cricket season fast approaching, the Eynesbury Cricket Club has appointed local resident Tristian Francis as the new president for the 2022/2023 season. Tristan has had various roles within the club including Junior Coordinator, General Committee member, Woolworth blasters coordinator, Senior coach and is currently the first Team Captain.

I'm passionate about the local community and I'm excited for the upcoming season which will be the club's 10th year. When we moved into Eynesbury in 2015, the Cricket Club was a great way to meet local residents that carried the same interests in sport. With the development of the Eynesbury Sporting Precinct, it has given our family a great environment to build lifelong friends and enjoy the sporting social life without travelling too far from home. My wife Mary coaches the junior girl's netball, and our 4 kids are involved in either cricket or netball. This year, we have some great local additions to the committee with my father, Leigh Francis, taking on the role as Secretary, and Trent Wemyss joining to run social events. Leigh is one of the longer serving residents of Eynesbury, and has had past roles on the OC and Environmental Group. Jason Davis continues his support with the role of Club Treasurer and Junior Coordinator. We are all committed to offering the community a great way to meet new people, providing a fun & social environment and developing the skills of both junior and senior cricketers. – Tristan

If you or your children are interested in joining our cricket club, please register online at <https://play.cricket.com.au> and search for Eynesbury Cricket Club.

The Eynesbury Cricket Club caters to boys and girls in mixed teams of all abilities. If you'd like to be involved in coaching or team management, please contact us; [info@eynesburyeaglescc.com.au](mailto:info@eynesburyeaglescc.com.au).

We're accepting players for under 11, 13, 15, 17 and senior cricket. Social memberships are also available.

## Eynesbury Kindergarten

### Wellbeing Garden | Funded by Health Promotion Health and Wellbeing Grants – Western Health

Our service values the importance of teaching children and families about the importance of nutrition, promoting wellbeing and advocating for meaningful reconciliation with Aboriginal and Torres Strait Islander Peoples.

We also value the importance of creative arts, and recognize the benefits that art therapy projects can have on a child's holistic wellbeing. Art therapy is a form of expressive therapy that uses the creative process of making art to improve physical, mental, and emotional well-being. It allows children an opportunity to express and understand emotions through creative processes.

Our plan is threefold – we propose to:

- Create a wellbeing garden that incorporates art projects that are created in collaboration with our children, our community and Wadawurrung people.
- The growing of bush tucker, fresh fruit and vegetables to share with community.
- A cooking program that promotes the use of fresh produce and encourages families to participate.
- We propose to invite our community to work collaboratively with us (subject to covid restrictions), as we plan and create a range of mosaic art installations to decorate large pots and a wall in our garden area.
- We propose to partner with Val Turner (Community Engagement worker from Bunnings Melton) to donate materials for our art installations on large pots and a wall mural.
- We will be guided by the “Paleert Tjaara Dja” (Let's make country good together plan 2020 – 2030) when deciding what plants to add to our garden (Wadawurrung Traditional Owners Corporation).

Our educator Danielle is a trained chef, with an interest in children's nutrition and will plan a range of cooking experiences guided by the Australian Dietary Guidelines for Children. Danielle plans to incorporate the produce that we grow and educate children & families about nutrition. We have recently signed up as members of the ‘Vic Kids Eat Well Program’ and will utilise this program in our learning curriculums.

We know from the ‘Vic Kids Eat Well Program’ that by making healthier foods and drinks available for all children can help meet the recommendations in the Victorian Department of Health's Healthy Choices guidelines.

It is important to surround children with delicious, healthy foods and drinks, wherever they spend their time and giving them opportunities to utilise the healthy foods that they grow will encourage and support them to eat well.

Our service does not have an oven or alternative means of cooking inbuilt onsite. We propose to purchase a convection oven and place it on a trolley so that it can be moved between groups and utilized in our curriculum.

We plan to share excess produce with families and the community, with the possibility of creating a cookbook with recipes to share with our learning community. The garden will be created down the side of our building so that the community have access to it through an open gate on weekends and over the holiday period.

It is important to surround children with delicious, healthy foods and drinks, wherever they spend their time and giving them opportunities to utilise the healthy foods that they grow will encourage and support them to eat well.

## Eynesbury Dance Scene

Term 3 classes of Eynesbury Dance Scene are in full swing! We're currently preparing for our end of year concert, organising roles for the mini production of 'Frozen', which the Musical Theatre students have been auditioning for and purchasing beautiful costumes.

Due to the winter weather, we haven't been able to perform as much as we had hoped – however, we are very excited for our upcoming performances at Sutton House Mackenzie Aged Care Group in Melton South at the end of August, the Eynesbury Market in September, our professional photos in November and our end of year concert in December!

The end of the year is a very busy time for us; nevertheless, enrolments are still open in our Junior and Senior Musical Theatre classes (ages 5 and up), Jazz and Ballet classes (from ages 2 and up). Please contact Eynesbury Dance Scene's principal, Gemma Pentony, if you are interested in receiving more information or arranging a trial class for your child; [eyn.dance.scene@gmail.com](mailto:eyn.dance.scene@gmail.com).

Like us on Facebook at [Facebook.com/Eyn.Dance.Scene](https://www.facebook.com/Eyn.Dance.Scene).

## How I Met the Local Teen Entrepreneur

We love celebrating our community and sharing all things local! Our local business for this month is Stella's Granola Crunch.

- Owner and creator of Stella's Granola Crunch, Stella Blaikie has been an Eynesbury resident for over 9 years with her parents and brother.
- After leaving Queensland, Stella's family discovered and instantly fell in love with Eynesbury!
- Stella's business makes homemade fresh granola - made to order!
- Stella loves Eynesbury because it's a nice area and has a golf course. Plus, all the nature makes her feel safe.
- Business for Stella is going well, because in Eynesbury everyone knows everyone which creates great word of mouth.
- Each bag of Granola is made to order in two amazing flavours; choc nut and maple drizzle.
- What's on for 2022? Stella is most excited for a full year without lockdowns, growing her business with local support, and hopes to have a shopping centre and gym built soon.

Do you want to be our next local business feature? Get in touch with us!

*Stella's Granola Crunch is now available at The General!*

## Eynesbury Early Education

### **Welcome Eynesbury Early Education.**

We are a 110-place service that caters for children from 6 weeks to 6 years. We are open 6.30am to 6.30pm, Monday to Friday. At Eynesbury Early Education, we are proud to be offering a curriculum that not only caters to the interests of the children through play, but also a program that is engaging and builds success for life! We aim to provide a personal and happy family atmosphere where parents, community members and organisations will feel welcome and encouraged to participate whenever possible to bridge the gap between home, the centre, and the community.

We have various incursion and excursions throughout our program, such as weekly music classes and weekly sport classes. We offer a range of different incursions aimed at expanding children's knowledge in areas they are interested in throughout the year.

We offer a 3-year-old and a 4-year-old government funded kindergarten program. Our 4-year-old kindergarten children attended weekly Bush Kinder excursions in the Grey Box Forest. Bush Kinder provides children with uninterrupted play in the bush using what nature has provided as learning materials. The children have the opportunity to jump in puddles, balance along fallen trees, climb trees, get involved in dramatic play, finding insects, and drawing with sticks in the ground. The opportunities for children to construct their own learning is endless, it also gives our educators a different aspect of intentional teaching.

### Pre-Kinder Care

As our toddlers' transition to our pre-kinder room, they continue to use hands on exploration and social interaction to learn about their expanding world. Our pre-kinder room caters for children between the ages of 2½ to 3 years old. Children become more independent and are consistently encouraged by our educators to practice independence skills, with help when needed of course! Self-feeding, dressing, hygiene, and toileting are all self-help skills that we practice every day in our pre-kinder room. Communication is a big focus for us, as children learn to express themselves and converse with their peers. Our curriculum for our pre-kinder children is designed to adapt to each child's individual age and stage.

### 3-year-old Kindergarten

Our 3-year-old government funded kinder program provides an opportunity for your child to engage in a fun and social education program, in a play space designed to enhance learning and overall development with a bachelor qualified kindergarten teacher.

Our 3-year-old kinder children have ample space and opportunity to climb, build, ride, balance and investigate in their outdoor yard. Activities are limited only by your child's imagination. Choices include block building, painting, drawing, play-doh, clay moulding, and texture play – just to name a few!

Creativity is stimulated by dramatic play, dress-ups and more! To encourage improvement of both fine and gross motor skills, we provide puzzles, water play and movement, along with singing, dancing, and games. Group times facilitate intentional learning and calm transition times throughout each day. Our 3-year-old kinder children have weekly music and sports incursions.

### Nursery Care

Our nursery room is a loving and caring environment for your children to grow and learn, and we offer a separate sleeping room for the children's sleep time away from the noise of the room. We welcome mothers who are still breast feeding to come in and enjoy one of our quiet spaces to feed and bond with their baby.

### Toddler Care

The move from nursery to our toddler 1 room is an exciting time for everyone! The children begin to explore their environment with access to an indoor/outdoor program, this enables the children to make choices over their play. Imagination is boundless at this age – and to keep up, we provide a never-ending (and ever-changing) variety of activities including art, imaginary play, outdoor adventure, singing, dancing, and more. We encourage the children's self-help skills, such as self-feeding and self-serving at mealtimes.

### 4-year-old Kindergarten

Our four-year-old government funded kindergarten program is a safe environment to prepare our young people for school, including helping children understand and cope with their big emotions, equipping children with the confidence to initiate and navigate friendships, and nurturing self-confidence and community awareness. Our kinder children participate in weekly bush kinder excursions in our local Grey Box Forest. The children explore the natural environment giving them a different aspect of learning. We offer different incursions aimed at expanding their knowledge in areas they are interested in.

Our kinder aged children can enjoy their own outdoor yard where they can investigate and explore their environment, taking part in climbing, building, creating, digging, riding, and balancing. Throughout the year, our kinder teacher and educators incorporate your child's interests into our program to help create a fun, comfortable and exciting space for your child to learn, grow and develop. There is a strong focus on school readiness and our qualified kindergarten teacher will work with you and your family to ensure your child flourishes!

## Eynesbury Tennis Club

The Eynesbury Tennis Club is hosting an official doubles tournament on Saturday 17th September. Please come down to the courts to cheer on our members!

We're excited to be continuing to grow our tennis club and to have an ATP Tennis coach, Robin Kumar from iTennis Coaching Academy. You can contact Robin for coaching, cardio tennis, group and individual sessions through our Facebook page and website; [www.play.tennis.com.au/EynseburyTennisClub](http://www.play.tennis.com.au/EynseburyTennisClub).

We're having our Open Day at the courts on Saturday 6th August, we look forward to welcoming the community with a BBQ and fun court activities.

The Eynesbury Tennis Club will be participating in our first inter-club competition from Wednesday 5th October with 5 other local clubs. This is a first for tennis in the area and we are looking forward to bringing home our first club trophy.

Lastly, our club is holding a Father's Day raffle to raise funds and purchase marquees. You can purchase tickets at the Eynesbury Golf Proshop for \$2 each. Prizes consist of 2x 2-night stays at Mantra on View Surfers Paradise, 2x Virgin Australia vouchers of \$200 each, an \$100 voucher for Ms Peacock Restaurant & Bar, an \$50 voucher for Ms Peacock Restaurant & Bar and 4x 30-minute coaching sessions with our coach.

We are still looking for sponsorships; please reach out to Matt Osborne if you're interested: [eynesburytennisclub@gmail.com](mailto:eynesburytennisclub@gmail.com).

## Eynesbury Eagles Football Netball Club

On Friday 29th July, the 18's club (senior team) defeated Wallan and advanced to the Grand Final! Thanks to First National Real Estate for putting on the longest kick competition at half time, which was a huge success!

The Grand Final was played on Friday 5th August against At Albans, the boys played well but couldn't walk away with the win. The presentation night will be held on Saturday 8th October – save the date!

On Saturday 23rd July we held the club's first ever mid-year ball, it was a great night! Thank you so much to Amanda from Proud Designs for decorating the venue, and thank you to Resimax Group for a great event at the Marquee once again.

In late June, our senior netball team played off in the grand final and narrowly went down. Well done on a magnificent season!

After a fantastic season by all our junior football and netball teams, we will be holding the presentation night on Friday 9th September at Tabcorp Park. Tickets can be purchased through our club's website. Well done to all players this year who competed strongly in the first full season since 2019. A special congratulations to the under 11's netballers, who made it to the finals for the first time!

On Friday 22nd July we had a very special guest play for the 18's... an All Australian, 2x premiership player and best & fairest, Corey McKernan. The team had a massive win against Bacchus Marsh! A special thanks to Brad from Werribee Mitsubishi for inviting Corey down.

Thank you to all supporters, players, volunteers, and sponsors for a fantastic season. A big thank you to our major sponsors, First National Real Estate and Werribee Mitsubishi for their significant contributions throughout the year, and to all of our sponsors who can be found on the banners around the ground and on our website and Facebook page.

If you would like to become involved in the Eynesbury Eagles Football Netball Club as a participant, please reach out via our Facebook page and message us if you have any questions.

Teams that need to be filled next year include both football and netball, from Auskick and Net Set Go through to under 9's, 11's, 13's, 15's, 17's and senior teams.

If you'd like to become involved as a sponsor or volunteer, please contact us via Facebook. We are always open to more support, and we appreciate it; every small part plays a big role in getting our teams on the field every week!

See you all in 2023. Go Eagles!

## Eynesbury Winter Festival

From the ice rink to themed markets and the Winter Solstice – our Winter Festival was a great success, thank you to everyone who attended!

We're already busy planning events for summer & another Winter Festival in 2023!

# WHAT'S ON

## Garage Trail

The Eynesbury Garage Sale Trail returns this October!
