COULD EYNESBURY GIVES BACK SUPPORT YOUR GROUP?

We welcome applications from:

Sporting clubs | Community groups & organisations | Schools & kindergartens
Registered charities & not-for-profits | Community events | Groups running projects or initiatives that benefit Eynesbury

We're looking for requests that create a positive impact for the Eynesbury community — whether that's helping people get involved in sport, bringing neighbours together, supporting a local event or creating new opportunities for residents.

WHAT CAN YOU APPLY FOR?

Sponsorship • Donations • Grants • Events • Sporting club support • Equipment & resources • Community initiatives

Support may be financial or in-kind, depending on the request.

TWO LEVELS OF SUPPORT

To help us support as many groups as possible, requests are considered under two streams:

STREAM	AMOUNT	SUITABLE FOR
Community Support	**Up to $1,000**	Smaller, straightforward requests such as raffle prizes or vouchers, small donations, fundraising support, minor sponsorship and other small community contributions.
Community Sponsorship	**$1,001 - $3,000**	Larger requests such as sporting club or community event sponsorship, projects and programs, equipment and larger community initiatives.

Most sponsorship requests will fall within the $1,001 - $3,000 range. Larger requests may be considered depending on the proposal, community benefit and available annual budget.

WHAT DO WE LOOK FOR?

We consider:

Community benefit - Who will benefit?

Eynesbury connection - How does it support our community?

Impact - What difference will the support make?

Value - Is the request reasonable and achievable?

Community connection - Does it help bring people together, create participation or provide opportunities?

WHAT ISN'T ELIGIBLE?

Eynesbury Gives Back isn't intended for:

- Personal expenses
- Private parties or social gatherings
- Requests primarily benefiting a commercial business
- Political organisations or activities
- Activities that have already taken place
- Requests without a clear Eynesbury community benefit

HOW OFTEN CAN WE APPLY?

You can submit one application per group or organisation, per round.

You can apply in both rounds if you have different projects, activities or support needs.

We have a set annual budget for Eynesbury Gives Back, shared across a range of community groups and initiatives. This helps us spread our support across the community and give more groups the opportunity to benefit.

Receiving support in one round does not guarantee support in another round.
