

EYNESBURY DISCOVERY CENTRE

SOCIAL CRAFTING

Join our friendly group of crafters who get together to have fun, learn and share their knowledge. Our friendly volunteer facilitator Carol is passionate about helping others to improve their skills and to try new things.

Bring and work on your own projects, whilst enjoying the company of like minded crafters and be inspired by them.

This group is purely a social group, no instructor is provided. BYO craft project and materials. If you use a Sewing Embroidery Quilting Machine, bring it along and all accessories including leads.
